Our group represents

For 10 minutes, imagine yourself in this person's shoes:

- (1) What is important to me?

- (2) What hopes do I have?

- (3) Why would I want to get involved in trying to build a more family friendly community? What might I get out of it?

- (4) What would I have to give to the effort?

- (5) What do you as a Team want from this particular person or group?
