

CELEBRATING 30 YEARS
TURNING DREAMS INTO ACTION

COFI's 30th Anniversary

June 4, 2026 | Garfield Park Conservatory | 5:30 p.m. to 8:30 p.m.

Community Organization and Family Issues (COFI) is building the power and voice of parents, primarily mothers and grandmothers from Black and Brown communities, to shape the public decisions that affect their lives and their families.

Thanks to supporters like you, for 30 years, parents have powered a movement that has won change and turned dreams into action – winning recess for all children in Illinois, historic reforms to Chicago's fines and fee system, and a new state Child Tax Credit. Today, we are at a critical moment in our nation's history. Policy tables are becoming more exclusive and out of reach for parents while the federal government ignores everyday people and rolls back the very programs that COFI has long fought for.

By sponsoring COFI's 30th anniversary event, you are not just providing financial support. You are becoming a part of our mission. Your support helps us bring more parents to policy tables and ensures they continue to turn their dreams into action! Together, we envision a world where racial, economic, and educational justice prevail, and all children and families have an equal opportunity to succeed in life.
